## The Super-Physics of Divine Enlightenment

AVATAR ADI DA SAMRAJ:

There Is Only Light.

Light Is All There Is.

All That Is Is Light.

*"The Dawn Horse Testament of The Ruchira Avatar"*

Even in your apparent mortality, you  
Are Energy. Energy is always  
conserved – It is Indestructible.  
Energy can be changed, but It  
cannot be destroyed.

*"Space-Time Is Love-Bliss"*

True Spiritual life is not just a change in your mind.  
Much more than an "inner awakening" or a "good  
feeling" about everything must take place. The  
literal physics of your entire existence must  
change. The physical body and its energies must be  
literally transformed... There is an unspeakably  
profound difference between the condition of the  
usual egoic individual and the Condition of the  
Divinely Enlightened individual.

## WELCOME TO OPEN EYES

"Open Eyes" is one of Ruchira Avatar Adi Da Samraj's descriptions of Perfect Enlightenment, or the non-exclusive, non-inward, Native State of One Who is identified unconditionally with Real God. In other words, the Realiser of Open Eyes inherently recognises everything to be arising in and as Real God. Through these pages we will introduce you to the Wisdom-Teaching of Avatar Adi Da Samraj.

What is your present consideration about the nature of life and about what is greater than the ordinary round of work, daily chores, social relationships and mass entertainment? If you are reading this newsletter, you probably are interested in greater matters, including how consciousness and matter are related, how science and spirituality can be integrated. These are questions that have been raised in the popular mind recently, for instance, by the film *"What the Bleep Do We Know!?"*.

Avatar Adi Da Samraj presents the most profound consideration of these matters, based not on intellectual surmise, but on His actual Enlightened State. He is literally and constantly always in the condition of inherent unity with Fundamental Light, which He is also able to transmit to others. The description included in this issue, by Adi Da's senior devotee Adidama Quandra Sukhapur, expresses her profound reception of His transmission, but most devotees could testify to some degree of experiencing it.

Yet any experience that can be described in terms of the body-mind is not "it" (there is a condition that is prior or greater than just being the body), nor does merely talking about profound matters mean that we are therefore realising profoundly. To be merely fascinated is not enough – a true process of transformation must take place. Since He is utterly identified with the One Divine Unity and yet paradoxically manifested in human form, Adi Da's offering to you of devotional relationship with Him is your unique advantage and help in this evolutionary spiritual process.

# The Physics of this Process

**AVATAR ADI DA SAMRAJ:** Divine Enlightenment is a literal change of the whole body. If you have acquired the human form, then the change that must occur in the body is not really so much in your outward appearance, because you already have the necessary structure. Rather, the changes that must occur are psycho-physical changes—just as literal as if you were to acquire more legs and arms, except that the most dramatic changes occur in dimensions other than the shape of the physical body. Changes certainly do occur in the flesh and in the elemental structures of the body, but those changes do not really alter the body's outward shape. Nevertheless, those changes are as literal as the "evolutionary" change from a dinosaur to a human being—and they are as dramatic as that, but they principally occur at more subtle levels of the physics of the conditional being. There are literal changes in the nervous system, literal changes in the chemistry of the body, literal changes in the structural functioning of the brain.

You cannot realise such changes in a weekend. They are a living process of growth—but they can be quickened and intensified through right practice, and real ego-transcending discipline, in My Avataric Divine Company...

You must be responsible for yourself at the human level, and in a profoundly uncommon way. You must live the discipline of ordinary life. You yourself must be love under all ordinary, daily conditions. You must make this change in your life.

Something in the Super-Physics of the universe makes it possible for the Divine Conscious Light to Avatarically Incarnate as an apparent human individual, for the Purpose of Bringing others into the Sphere of Divinely Enlightened Existence.

There is no way whereby you can be relieved of this necessity—and nobody else can do it for you. Nevertheless, all of that ordinary responsibility simply prepares you for the right relationship to Me (in and As My Avatarically-Born bodily human Divine Form and Person).

I Am your Unique Advantage, because I Am Present in the same kind of bodily form as you—Manifested in the same kind of physical condition, the same kind of nervous system, the same kind of brain. In My Case, however, all these mechanisms are Raised to an Absolute level of Functioning, such that your entering into Communion with Me brings changes even at the level of the psycho-physical body that you present to Me.

No abstract Divine Principle can serve you in that manner, because the physics of this Process must be directly Present, and the bodily (human) Demonstration of the Process must be Present in a Form that can Do Its Work in your case. That Work is My Purpose. My Avataric Divine Incarnation Fully

# Process Must Be Directly Present

Manifests the State of the Ultimate Physics of things—Which is your Potential, but not your actuality at the present time. The "abstract Divine" and the powers of the universe are not (in and of themselves) organized for the sake of the immediate transformation of human beings. If people truly enter into right devotional and (in due course) Spiritual relationship with Me, they will (inevitably) Realise the progressive process of transformation characteristic of the only-by-Me Revealed and Given Way of Adidam.

I am here to Reveal the Perfect Teaching of Truth and to Initiate the great culture of

compassion and Wisdom among human beings. However, those Purposes are secondary aspects of My Avataric Divine Service to humanity. Those Purposes are the Transformative Effects of My "Bright" Divine State and My Ultimate Divine Function. My True and Ultimate Avataric Divine Function is to Instigate the Super-Physics of Most Perfect Real-God-Realisation (or Divine Enlightenment) among My true devotees. My Avataric Self-Manifestation in bodily (human) Divine Form is an Advantage That is Unique in human time.

## Space-Time Is Love-Bliss

AVATAR ADI DA SAMRAJ: The concept of "matter" should have become obsolete with the passing of the nineteenth century. Since the discoveries of physics in the first half of the twentieth century, every schoolchild knows that "matter" is a mode of energy (or of light). And, yet, this universally accepted "equation" has not yet become a basis for the world-culture. The same science that declares  $E=mc^2$  is contradicting its own declaration by telling everyone that everything is merely material – and, thereby, communicating a "dark" and hopeless message....

On the one hand, it is obvious that human beings are, in some sense, "material". Therefore, there is an obvious legitimacy to the investigation (or rational examination) of the "material" nature of the human being (as a pattern of form). On the other hand, every conditionally manifested form is Always Already in the Condition of Inherent Unity with Fundamental Light – and, therefore, every conditionally manifested form is, simply, a modification of Fundamental Light. This Greater Truth is the Basis for the true religious and Spiritual approach to the investigation of conditional existence.

Even in your apparent mortality, you Are Energy. Energy is always conserved – It is Indestructible. Energy can be changed, but It cannot be destroyed. Therefore, you (As you Are) cannot be destroyed. You simply cannot. All kinds of transformations are possible, but that is all...

All apparently material processes are, ultimately, a play of Light. You presently (and Always Already) Exist in a State of Indestructible Unity with Fundamental and Primary Light (Itself). Everything arising is Always Already in a State of Indivisible Unity with Reality (Itself). This is the Basis for a great (and truly free) enquiry. Therefore, This is the Basis for true science, and also the Basis for true (or esoteric, and truly Spiritual) religion.

## Experiencing Adi Da's Transmission of Light

In early 1999, Avatar Adi Da was in Spiritual seclusion at His residence Temple called the "Brightness", at Adidam Samrajashram in Fiji. His senior devotee Adidama Quandra Sukhapur describes in a letter to Him her experience in meditating with Him there.

ADIDAMA QUANDRA SUKHAPUR:  
*I recall feeling a profound downward Descent of liquid Light, and the Emergence of Your Divine Body as a Radiant Sphere. I was intoxicated. My body was pulsating in utter Yogic*

*sublimity. And then You began to Reveal Yourself as the Very Source and Condition and Substance and Energy of all, in most profound terms. I passed beyond bodily awareness, and, in this ecstatic Samadhi, I felt the non-necessity for anything. Even when I re-associated with the body, You continued to Reveal the Truth of No-"difference". There is nothing separate from You.*

*As You stood and Placed Your hand on my head and Your thumb on the ajna chakra, I felt Your Spiritual Descent more strongly. Your Touch was shattering, and caused a gasp of sudden and profound Love-Bliss-Joy. Downpours of nectarous Light and Love filled the entire space. As I felt Your Descent, I felt You completely overwhelm the body, to the deep root-core of the being and then beyond, such that my entire being responded to Your Current of Love-Bliss with extreme love and extreme intoxication.*

*I felt You as "Bright" White Light, and I felt Your Light as a liquid, or water, of Love. As I resumed normal psycho-physical awareness, I experienced a sensation of burning – a purifying Spiritual Fire that had been generated in me, a fire of penance, or real humility. Astounded by this Initiation, accepting all with profound gratitude, I bowed down.*

*Since that occasion, everything has "Brightened" and changed in every respect – not just in my physical life but to the depths of my heart and the roots of the mind, and even in relationship to all things and beings. Thus, the process begun at the "Brightness" continues. I feel my Beloved Heart-Master drawing this one and all into the Realisation of Perfect Union with Him. I feel overwhelmed by His Grace and Love. I am truly at His Feet.*

# Conscious Light

AVATAR ADI DA SAMRAJ:

$C = E = mc^2$

Conscious Light Is all-and-All.

Consciousness (Itself) Is Identical To The Self-Existing Energy (or Indestructible Light, or Perfectly Subjective Spiritual Self-"Brightness") That Is all "things" (or conditional forms, conditions, and states).

Aham Da Asmi. I Am That One and Only Conscious Light.

*"The Dawn Horse Testament of The Ruchira Avatar"*

Adidam Samrajashram in Fiji.

AVATAR ADI DA SAMRAJ: When the human psycho-physical personality (or even any or all of body, mind, or world) is investigated (and, in that investigation, transcended) most profoundly, it is Discovered to Be (Beyond itself, or Most Prior to the naïve experiencing of it) Inherently Indivisible Light. That Discovery, Most Perfectly Made (or Utterly Realised), Is Most Perfect (and Self-Evidently Divine) En-Light-enment.

*"I Am The Way to Transcend the Illusions of Broken Light"*

AVATAR ADI DA SAMRAJ: "Matter" is Light – not merely ordinary light (which can even change its speed, or fly about and be reflected on surfaces, and so on), but Fundamental Light, Light Itself, Which Is inherently Indivisible, inherently Unbroken. The conditional (or space-time) universes are a manifestation of the apparent breaking of Fundamental Light – a curious, simple, apparent "difference" (or division) within Fundamental Light (or Unlimited and Unconditional Energy, Itself). But Fundamental Light (Itself), or Unlimited and Unconditional Energy (Itself), Is Love-Bliss (Itself), the (Self-Evidently) Divine "Brightness".

## About Adi Da Samraj

In the depth of every human being, there is a profound need for answers to the fundamental questions of existence. Is there a God? What is beyond this life? Why is there suffering? What is Truth? What is Reality?

*Open Eyes* is an opportunity to be introduced to the Wisdom-Revelation of Avatar Adi Da, whose Teachings truly and completely address all of these fundamental questions. How can Avatar Adi Da resolve these fundamental questions? Because He speaks, not from the point of view of the human dilemma, but directly from the unique Freedom of His Divine State. Adi Da's Birth in 1939 was an intentional embrace of the human situation, for the sake of Revealing the Way of Divine Liberation to all and Offering the Spiritual Blessing that carries beings to that true Freedom. He is thus the fulfillment of the ancient intuitions of the "Avatar"—the One Who Appears in human Form, as a direct manifestation of the Unmanifest Reality.

Through a 14-year process of Teaching-Work (beginning in 1972), Avatar Adi Da established the Way of Adidam—the Way of the devotional and Spiritual relationship to Him. In those years of Teaching, He spoke for many hours with groups of His devotees—always looking for them, as representatives of humanity, to ask all of their questions about God, Truth, Reality, and human life. In response, He Gave the ecstatic life of real Communion with Him, and all the details of how that process unfolds. Thus, He created a new tradition, based on His direct Revelation (as Avatar) of the Divine Reality.

To read Avatar Adi Da's Writings and the stories of His devotees is a great Blessing—for His Teaching is itself an Agent of His Spiritual Awakening-Power. As you will discover, Avatar Adi Da Samraj does not offer you a set of beliefs, or even a set of Spiritual techniques. He simply Offers you His Revelation of Truth as a Free Gift. If you are moved to take up His Way, He invites you to enter into an extraordinarily deep and transformative relationship to Him.

To find Avatar Adi Da Samraj is to find the Very Heart of Reality—tangibly felt in your own heart as the Deepest Truth of Existence.

This is the great mystery that you are invited to discover.
